Subject Dan Green complaint from May 2012

Jeff;

In a follow up to our phone conversation earlier today, I mailed to your office a response to the inquiry you sent me back in late April or early May of this year. Unfortunately, it seems it did not make it to your desk. The inquiry referenced campaign contributions made on my behalf by the Reagan Republicans here in Kootenai County, Idaho. I was campaigning for a county commissioner position. My response was very consistent with a response you received from Todd Tondee, also a county commissioner candidate. Our situation was the same as we were endorsed by the same group on the same literature. If you have any questions, feel free to contact me at this email address: or you may call my cell at

Sincerely;

Dan Green
